

OUR MISSION

...and he saw him and he was moved with compassion. Luke 10:33

Grove Manor is a non-profit corporation affiliated with the Churches of God, owning and operation Grove Manor Nursing Home as a non-profit facility committed to the Christian vision of hope and healing.

We believe in the inherent worth of dignity of each unique person, that our residents are providentially entrusted into our care, and that we are called to share in Christ's compassion and ministry to them.

Our mission at Grove Manor Nursing Home is to offer quality and holistic care to our ill and aged residents, and to provide for them a loving and compassionate environment, attending carefully to their physical, spiritual and emotional needs.

Our aim is to ensure a comfortable and well maintained facility, a high-quality food service, an array of professional health and therapy services, a variety of social and recreational activities and a Biblically based, non-sectarian spiritual ministry.

We accept Medicare, Medicaid, private pay and most commercial insurances.
